Dear [Redacted]

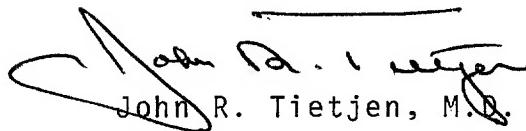

Thank you for the material. It is very helpful.

Enclosed is a copy of the monthly Rotary magazine. It helps give some idea about the club and its' institutions. The Rotary Club of Petersburg came into being in 1917 and is one of the oldest clubs in the country. Under its' sponsorship five other clubs have been founded in this area (1924-1955). Club membership is around 130 and consists of a cross-sectional representation of business and the professions. The club meets weekly and has a program (speaker) for each meeting. In addition to fellowship, one of the binding factors of membership is pervasive interest in most any subject. The Petersburg Club, on several occasions, has expressed a particular interest in the subject of intelligence. I am sure Mr. Carlucci will experience an attentive, receptive audience.

Enclosed, also, is a map of directions for your security escort. We plan, however, to have plenty of guides available, as needed.

I will phone you the week of the 13th for final arrangements.

Sincerely,

  
John R. Tietjen, M.D.
